

Livermore Club Shoot 1 Results

21 February 2010

Livermore's first shoot is becoming the traditionally "rain and wind shoot," courtesy of Mother Nature. Thirty-one shooters braved the drizzle, showers, and downpours for the first shoot of the year. Even though the weather was nasty, there were a few 50s at singles: Bob Graves, Robert Silva, and Jim Wyllie. Graves and Wyllie went on to tie in each event and came out on top for HOA.

There are some notable changes to the Club Shoots this year. The Trap Committee voted to rescind monthly cash prizes. Instead of the monthlies, there will be more money for prizes at the last shoot. Contact your local Trap Committee representative for more information. As a result, the office personnell introduced purses for singles and handicap. There will now be jackpot and Lewis Class purses for all events. The handicap purses have not changed. Also, the Trap Committee voted for a new special classification. If you are 75 years and older, you are qualified to shoot as an Elder. See Kathy in the office, so she can classify you accordingly.

Due to the lousy weather, one person played the handicap purses but the money was refunded. The perfect 50s still stands at \$570. Remember that you have to have a minimum of 3 shoots in order to qualify to play. There were many winners for the Magical Mystery Numbers. Joe Territo, Wayne Brewer, and Jim Peterson hit the magical number in singles. Each received well-needed hand or body warmers for their efforts. Territo and Brewer hit the number again for handicap winning Winchester gun cloths. Cory Wing was the sole winner in doubles and won a shot glass (but I think his dad will keep it for the time being). Dan Seitz was the winner for the combined score and received another shot glass.

Next shoot is 7 March. Pray we won't have rain. Windows open at 9am and shooting starts at 10am. Lunch is served.
