1 March 2009

Livermore Club Shoot 2 results

Well, early March never disappoints. For the second year in a row the weather conditions were lousy. The good news was the shoot wasn't canceled. The bad news was the shoot wasn't canceled. Dark gray clouds threatened to open up before start time but the rains held off until the middle of handicap. By the time doubles came around, we weren't sure if it was a trap shoot or a duck hunt! Luckily, Ray Giannini turned everything around so we could go home by 1 pm.

Twenty-five shooters dared the weather conditions would get worse, 18 came back from last week, five were returning shooters from the 2008 season, one new shooter, and one returning from an absence of over a year. Only one junior shooter returned for Shoot 2. Thanks all who braved the conditions.

Only one person shot a 50 in singles, Bob Graves. Seems the poor weather conditions did not phase him; however, Bob's handicap score was such that it would be unmentionable. The highest score was a 142 by Jim Wyllie. The closest score was a 133 shot by Craig Baxter. No doubt the weather had something to do with scores.

There was no buddy shoot purse this time around, again! Four people played the Lewis handicap purse but it was refunded. Better luck next time when the weather gets better—like in May! No one played the 25s or regular 50 purses. But the Perfect 50s pot was raised by \$5 and is now at \$535.

No one won the singles Magical Mystery Number, again! There wasn't even a winner in the rare doubles event. But Nada Graham and Bob Lee each won a Sack-ups gun sock for their respective scores at handicap and the combined events. There weren't enough winners for either the toe or body warmers, even though everyone probably needed them.

Next shoot is March 21st just in time for Spring. Remember prices have gone up: \$40 for general admission, \$30 for Vets and Ladies, \$20 for Juniors with doubles, and \$14 for Juniors who wish to shoot singles and handicap. It's still \$5 to play the handicap purses. Windows open at 9am. Shooting starts at 10am. Free breakfast snacks and lunch for purchase will be available.
