Livermore Club Shoot 4 results

After a month-and-a-half break from club shoots, the LPR&GC club shoot started up again for better Spring weather. But wait...heat wave. Not only was it 102° in the shade by 2pm, but the wind started picking up mid-day. The heat and wind affected everyone. Thirty-seven shooters were in attendance, one new shooter, and one, Doug King, returned after an overseas tour of duty.

There were two 50 in singles, Ray Ayala and Doug King. Unfortunately, the thermometer rose and wind picked up where the closest to a 50 at handicap was from new shooter, Joe Nannetti with a 49. Jim Wyllie won HOA, the closest score was 138 by Tom Kuntz. Tough day all around.

Next shoot is Father's day. Barbeque and prizes for the dads. See you all there!
